What is Empower?

Empower is an international nonprofit on a mission to empower, support, and connect children and young adults up through age 24 who have experienced the loss of a parent. Empower hosts events that remind children they are not alone in their grief, and offers a unique one-on-one mentor program with positive role models from the community who help teach, *"loss is survivable."* All programs and activities are provided at no charge to the family.

What is LUMINARIA?

LUMINARIA is a whimsical display of personalized luminaries honoring loved ones. Each luminary, purchased by donors from around the globe for a suggested \$25 donation. Hundreds of volunteers and donors have come together to create the display and support children who have experienced parent loss. What started along the coast of Boston, now takes place in 10 cities across the country.

Why partner with Empower?

LUMINARIA honors and remembers our loved ones in unprecedented ways and all funds raised support year-round operations. LUMINARIA raises critical operating funds, and equally important, spreads awareness of programs to families who will benefit from our life-changing programs.
