

EMPOWER

MISSION & VISION

Empower is an international nonprofit with a very specific mission – to empower, support, and connect children and young adults who have experienced the loss of a parent. Empower programs remind children they are not alone in their grief and help teach, “loss is survivable”.

Inspired by the loss of her own mother Kit at age 9, Founder Cara Belvin formed Empower in 2013 to support and connect girls and young women who have experienced the loss of their mothers. As of 2023, we proudly serve boys, girls and non-binary youth who have experienced the loss of a mother or father.

WHAT WE DO

Empower offers year-round EVENTS and an unique 1-1 MENTOR PROGRAM with positive role models from the community who have also experienced the loss of a parent. All programs and activities are provided at no charge to the family and non-therapeutic, community-based, and volunteer-driven.

Empower operates with a lean staff and thousands of volunteers around the globe to help carry out our mission. For a brief video recap of our work, please click [HERE](#).
