Subject: Request to Speak About Empower and Our Mission

Dear [Recipient's Name],

I hope this message finds you well. My name is [Your Name], and I am an Ambassador for Empower, a nonprofit that supports, connects, and empowers children, teens, and young adults up through age 24 who have experienced the loss of a parent.

I am reaching out to inquire about the opportunity to speak with your team/organization to share more about the important work we are doing at Empower.

Our mission is to provide grief relief and community to children, teens, and young adults who are navigating life after the loss of a parent. Through events and mentorship programs, we offer support and connection to those in need, ensuring they are not alone in their grief journey.

Empower is currently active in 8 regions nationwide, and we are committed to spreading awareness of the challenges faced by grieving youth while helping them find strength, healing, and mentorship. I believe that a conversation with your team would be an excellent opportunity to share how we can collaborate, whether through raising awareness or supporting grieving individuals.

I would be honored to have the opportunity to speak with your organization about how Empower is making a difference and discuss ways you and your team can get involved. Please let me know if there's a convenient time for us to schedule a meeting or presentation, either in person or virtually.

Thank you for considering this request, and I look forward to the possibility of connecting with you soon.

Warm regards,

[Your Name]

Ambassador, Empower
