EMPOWER

Mission Awareness Event Model 3
Sample Email Invite

Subject: Join Us for Empower's Mission Awareness Event

Dear Friends and Colleagues,

I hope this message finds you well. I'm reaching out today in my role as an Ambassador for **Empower**, a nonprofit that supports, connects, and empowers children, teens, and young adults up through age 24 who have experienced the loss of a parent.

We are thrilled to invite you to our upcoming Mission Awareness Event, which will be held on **[Add Event Date + Location]**. It would be an honor to have you join us and learn more about how Empower is making a difference for grieving children and young adults.

To RSVP, click **HERE**.

About Empower:
Empower provides relief and support to children, teens, and young adults who are grieving the loss of a parent. We offer two unique programs:

- **Events**: From large gatherings to small, intimate get-togethers, we create opportunities for kids to connect and with the reminder they're not alone.
- **Mentorship**: Through our unique 1:1 Mentor Program, we match young people with positive role models who have experienced similar losses, offering them guidance and support.

We are not just a program; we are a community that "gets it." Our nationwide reach spans across 8 regions, ensuring that we offer support wherever it's needed.
We invite you to share this opportunity with others who may benefit. While the event will be held in **[Your Town/Area],** we encourage you to forward this invitation to anyone within your network that may be interested in learning more about our important work within our community and beyond.

Please don't hesitate to reach out if you have any questions. I look forward to seeing you at the event, and I sincerely hope that someone from your organization can attend. Together, we can make a meaningful impact in the lives of those who need it most.

Thank you for considering this important cause. To RSVP, click **HERE**.

Warm regards,
